Designers Guide to Industrial Doors

Presented by Mark Lowe of Assa Abloy Entrance Systems Ltd

This CPD seminar aims to highlight;

- How to assess suitability of a door type based on space available.
- How to reduce construction costs by incorporating innovative design.
- Discuss technology and system concepts which specifically address energy efficiency, safety and security.
- Covers legislation, HSE recommendations and industry codes (SBD, BREEAM)
- Provide an understanding of the implications of Heat/Chill Loss/Gain at loading bay.
- Ensure a solid knowledge base for evaluating available solutions for specific locations.

Please ensure you let us know if you plan on attending & we have a mobile number if circumstances change.
